

Promotion Mirka Abrasives for wood finishing

MIRKA

**SARIS - Reducing costs
by improving performance**

**SARIS now supply the full range of Mirka abrasives
for the wood finishing industry.**

-  Sanding belts including wide belts
-  Abrasive sheets and orbital discs
-  Abranet, Abranet ACE high performance abrasives
-  Hand pads, rolls, strips and Goldflex foam backed sheets
-  Mirka Gold DA Discs for conventional sanding
-  Microstar ultrafine finishing discs
-  Full range of Dust extraction equipment including DEROS sanders

SARIS offer an on-site, bespoke sanding process review.

**A full review of the systems and practices currently in use, followed
by a sanding solutions recommendation which will highlight areas
that can be improved, reducing processes, increasing throughput
and reducing material costs.**
